

## *Virginia High School Coaches Association*

### REASONS TO BE A MEMBER

The VHSCA is an individual membership organization primarily to support statewide coaches and athletes. As a member of the VHSCA, you receive and contribute to the following benefits:

- Coaches receive one (1) million dollars liability insurance that also covers the time in the classroom. In addition, it provides one (1) million dollars of protection for a defense attorney. You are protecting your superiors, the principals and athletic directors, who are in the chain of command. **DO NOT COACH WITHOUT THE PROTECTION TODAY.**
- **Eligible for the distinguished Virginia High School Hall of Fame. Shared cost by VHSCA/VHSL. Athletes and coaches go in under the VHSCA and contributors go in under the VHSL.**
- **Eligible for State and National Coach of the Year recognition.**
- **Provided admission to Virginia high school athletic contests.**
- **Provided conditioned admission to college games. The VHSCA card is the ONLY coach's card that can provide this benefit.**
- **Eligible to participate in the best awards program of any coach's association in the United States of America.**
- **Eligible to select your athletes and coach in the annual VHSCA All Star Games. We are the only organization in the state that selects an All-State Team in every sport and recognizes them with a certificate. You must be a member of the VHSCA to participate in the All-State selection or coach in the games.**
- **We have a tremendous week during our clinic and All Star Games. Membership allows you free admission to the All-Star games, a reduced rate at the clinic and free admission to the picnic on the Chesapeake Bay at Buckroe Beach to enjoy great music, friendship and the BEST CUISINE in the east.**
- **Reduced cost for college credit.**
- **We give several scholarships each year to graduating athletes.**
- **We have previously contributed an average of \$3,000 - \$3,500 dollars to the VHSL Foundation each year.**

In our opinion, you may be asked to purchase the VHSL pass. The VHSL pass simply provides admission to Virginia high school athletic events and will not allow you to participate in any of the aforementioned amenities. The VHSCA is a privately incorporated organization that provides a membership with benefits...it is not just a pass. **Why?** If your athletic director or boosters club offers to pay twenty-five dollars for a VHSL pass, you may ask to add the additional ten dollars and remain with membership in the VHSCA.

Thank you for past support and continued support in preparation for the 2011-2012 season. We wish continued success this year and thank you for your continued support.

Respectfully,

The Virginia High School Coaches Association
